Peace and Allah's mercy and blessings be upon you

My beloved brother Aba-al-Ayyubi

May Allah bless you for what you wrote, and always remember that what we are doing is for His sake and for the sake of elevating His word and all that I hope is that He may He be praised and exalted grants us what we ask and what pleases Him. By Allah, my eyes filled with tears when I read the part about your fighting in the ranks of the Messenger of Allah Allah's peace and prayers be upon him, and then your return to your house victorious. Indeed O' Aba-al-Ayyubi, perhaps Allah will make it a true vision and the start of much good

Praise be to Allah O' Aba-al-Ayyubi, for on the same night that I read your post in the forum and during which you saw your vision, I was in touch with dear brothers who have preferred to journey for the sake of Allah over the worldly life and have rushed worldwide to the defense of our nation. We discussed your matter and they advised me to contact you based on my presence here, and to gradually advance in the project and according to the circumstances, and they are now studying how they might benefit from what we can offer

My honorable brother, you did very well by suggesting a word or a term to inform you that whoever you are talking to is a monotheist believer who was sent by me. I wish that you would decide this so it would be engraved in your memory. It is possible to make it a question and an answer, or a phrase made of three or four words or one word that is seldom used in day-to-day conversation. You can choose your preference, and what I have used in the past is the question and answer because it is easy to remember both parts

My dear brother, be assured that each of us is in the hands of the other and in the same trench and I will never abandon you regardless of the test and this is my covenant before the Lord of the universe, praised and exalted be His name. I will inform you of any news once I get it, and we will continue to be in contact to be assured of the progress of our project, and if there is any subject or project that you would like to discuss don't hesitate in asking about it

May Allah protect our Shaykh and our mujahidin and steady their aim and make them a role model for us and for the sons of this nation and Allah is Most Great

Your brother Al-Karkhi
